From the statement received with Excise Commissioner's letter No. 4968/346 dated 30th March 1897 it appears that existing lessees not only decline from the beginning to offer the present amount but are also irregular & troublesome in the payment of their Kists. Hence chance complaints of the Petitioners may, if approved, be informed that the Govt. have no intention to interfere in the matter submitted for orders.

ABSTRACT.

Petrs state that they had the Toddy Contract of Chamarajanagar and Yglandur Tks for 1896-97; that Mr Davys of the Excise Dept has given out the Toddy Contract for 1897-98 of these Tks to petty Contractors without consulting them and against the orders of Govt. No. 613-22 dated 2nd April stating that the contract for 1897-8 should be given to the contractors for 1896-97 for the same amount; that they submitted several petitions both to the Excise Commr and to the Dy Comm that they received no reply; that they have invested Rs

Rs 4000/- or Rs 5000/- in
advances to Idigars;
that it will not be possible
for them to recover this
money from them if the
Contract for the next year
is not given to him; that
the Idigars are neglecting
their work owing to the
intervention of Mr: Davy;
that money could be
recovered from them only
by employing them for tapping
trees; that they would suffer
great loss if the contract
is not continued to them
and that they sent a
Telegram to Egypt.

Pray that the contract
may be given to them
and that the petty contracts
may be cancelled until
orders are passed on this
